

JUDGE PARKER WILL NOT TALK

Will Say Nothing Until
Notified.

Advised of His Nomination
by Crowd of Newspaper
Men.

Absolutely Refuses to Make Any
Comment Upon His Nomination
or the Platform.

ESOPUS, N. Y., July 9.—The news of Judge Parker's nomination was given him at 6:50 a. m. today by the correspondent of the Associated Press, who found him clambering out of the water of his morning swim.

"Well, Judge, you've got it," cried the reporter, as the athletic figure of the Judge appeared over the bow of the large from which he had been diving. "Is that so," replied the Judge, his ruddy face breaking into a cheery smile in which satisfaction was undisguised. He asked for details of the final vote, and displayed the liveliest interest in every fact and figure, at the same time refraining from the slightest comment. When asked if he would say anything on the matter of his nomination, he said:

Refuses to Talk.
"No, I shall say nothing whatever upon the subject until I am formally notified of my nomination."
He climbed up the steep bank to his house and cordially received the greetings of the other newspaper men who had been waiting there, but again declined to make any comment upon the situation.

From 9:55 p. m. until after 6 o'clock Judge Parker remained in his room, which he left only to go to the river for his usual swim.
At that time he knew only that there had been an all night session of the convention and that the balloting had begun. There is little doubt that Judge Parker has been confident for many days that he would be nominated, and while he would not discuss this aspect of the subject this morning it was plain that the announcement of the result brought him no surprise, unless, perhaps, in some details in figures received.

Nothing to Say About Platform.
Judge Parker devoted the first leisure of today to reading the morning papers, reading close attention to the platform. He refused to make any comment upon the platform. Afterward he started for a ride on horseback.
The American flag was run up on the Rosemont flagstaff today and flags and bunting appear in increasing profusion on all buildings in Esopus. The celebration planned for tonight has been postponed until next week, but at that time it is expected the Ulster county delegation will have returned from St. Louis.

Congratulatory Messages.
The telegrams of congratulations are pouring in upon Judge Parker, and include the following from August Belmont at St. Louis: "Warmest congratulations. Our highest expectations realized on first ballot."
From W. F. Sheehan—"Congratulations."
From former Senator David B. Hill, at St. Louis—"Congratulations."
From John R. McLean, at Washington—"Heartiest congratulations."
Judge Parker's Democratic colleagues, the Democratic colleagues of Judge Parker on the State Court of Appeals bench, also sent telegrams.

POSITION ON FINANCE.

Judge Parker to Define View on
This Question in a
Letter.

ST. LOUIS, July 9.—A Parker man, who declines to permit the use of his name, but who is so close to the Democratic candidate as to make his words practically an echo of those of Judge Parker, declared this morning that Parker will, in his letter of acceptance, deal with the financial question in a specific manner and according to the lines advocated by Hill of New York and Williams of Mississippi before the committee on resolutions.

MAKES NO COMMENT.

Roosevelt May Speak Concerning
the Platform in His Letter
of Acceptance.

OSTON, N. Y., July 9.—News of the nomination by the St. Louis convention of Judge Parker for the Presidency was communicated to President Roosevelt at the breakfast table today by Secretary Loeb. The information was given to the President by telephone.

WHAT CAUSES DANDRUFF?

Greatest European Authority on Skin
Diseases, Says It's a Germ.

The old idea that dandruff is scales of skin coming off, through a feverish condition of the scalp is exploded. Prof. Unna, Hamburg, Germany, European authority on skin diseases, says dandruff is a germ disease. The germ burrows under the scalp, throwing up little scales of cuticle, and sapping the vitality of the hair at the root. The germ can only be killed by a special dandruff cure. Not only cures dandruff, but stops falling hair and permits a luxuriant growth. Delightful hair dressing. Sold by leading druggists. Send for sample to The Herpicide Co., Detroit, Mich.

from the executive offices in the village to Sagamore Hill, but he made no comment on either the nomination of Judge Parker or any other action of the convention. What he may have to say concerning the Democratic platform and candidates probably will be said in his letter of acceptance of his own nomination by the Republican party.

WALL'S CONGRATULATIONS.

Defeated Candidate Wires His Best
Wishes to Successful Can-
didate.

MILWAUKEE, July 9.—Edward C. Wall, Wisconsin's candidate for President before the Democratic national convention, when informed by the Associated Press representative of Judge Parker's nomination, sent the following congratulatory message:
"Judge Alton B. Parker, Esopus, N. Y.—Please accept my hearty congratulations on your nomination by the Democratic convention for President. No one will strive harder to secure your election than I. There is a reasonable prospect of your receiving the electoral vote of Wisconsin. You can rely on every Democrat in the State doing his full duty to accomplish that result."
"E. C. WALL."

PARKER'S MOTHER HAPPY.

She Had Hoped for the Nomination
of Her Son at St.
Louis.

DERBY, Conn., July 9.—The news of Judge Parker's nomination was brought to Mrs. Parker, mother of the Democratic nominee, today by a representative of the Associated Press. Tears came to her eyes and for a moment she could not speak. She said:
"I had hoped, if his nomination would be the best thing for the party, that he would be nominated, and now," she said, "if his election will be the best thing for the country I sincerely hope that he will be elected."
She said that Judge Parker was a personal friend of President Roosevelt, and within a year or two had made him a visit at his Oyster Bay home.
Mrs. Parker is 80 years of age and lives near her daughter, Mrs. Hall.

COCKRELL'S MESSAGE.

Congratulates Nominee and Says He
Will Labor to Bring About
His Election.

WARRENSBURG, Mo., July 9.—When the action of the Democratic national convention at St. Louis was told him, Senator Cockrell expressed himself as highly pleased with the nomination of Mr. Parker. "Parker is an affable, capable man who is loved by all who know him," he said. "I think his nomination is the best that could have been made under the circumstances." Senator Cockrell sent the following telegram:
"To Judge Alton B. Parker, Esopus, N. Y.—I tender you my sincere congratulations and will heartily labor for your election." F. M. COCKRELL.

MACHINE WILL WORK.

Tammany Says There Is No Doubt
Where It Stands in Presi-
dential Race.

ST. LOUIS, July 9.—To the Associated Press Charles F. Murphy of Tammany said today: "No one need have any doubt where Tammany stands in this Presidential canvass. It is solidly behind Alton B. Parker for President. There is never any doubt where Tammany stands when a candidate is regularly nominated. We came here with the belief that Cleveland was the strongest man to nominate and the easiest man to elect. It was ascertained, after consultations, that in this conclusion we did not agree with the majority of the delegates. Now that the convention has spoken and paid the high honor to Judge Parker, Tammany Hall will go to work at once in New York county and roll up for him the largest plurality ever given to a Presidential candidate of the Democracy."

JUDGE GRAY'S VIEW.

Declares Nomination Is One With
Which Every Democrat Should
Feel Satisfied.

WILMINGTON, Del., July 9.—Judge George Gray, who was placed in nomination for President at the St. Louis convention, is pleased with the nomination of Judge Parker. "The nomination of Judge Parker," said Judge Gray today, "is one with which every Democrat should feel satisfied—safe, hopeful and in line with the traditions of the party. I had the pleasure of meeting Judge Parker on a steamer when coming from Europe in 1895, and the impression he left upon me was very pleasant, as that of a quiet, dignified, brainy man."

CLEVELAND GRATIFIED.

Hopes That the Remainder of Work
of Convention Will Be
Like First.

BUZZARD'S BAY, Mass., July 9.—Former President Grover Cleveland, who is the guest of Joseph Jefferson here, was notified of the nomination of Judge Parker for President as soon as he awoke this morning. Later Mr. Cleveland sent the following statement to the Associated Press:
"Mr. Cleveland declines to see any representative or any reporters of the press, but sends this word to the Associated Press from his room:
"I am in absolute ignorance of the action of the St. Louis convention ex-

cept in so far as it has nominated Mr. Parker as Presidential candidate. With the result I am abundantly gratified, and I hope that the remainder of the work of the convention will add to the encouraging prospects of Democratic success. This is all I can possibly say at this time."

"I do not know when I shall have an opportunity to read the platform adopted or to learn of the entire proceedings of the convention. In any event, it is absolutely certain that no further expression from me may be expected at present. I hope to be relieved of further importunity on this subject."

M'CLELLAN IS PLEASED.

Mayor of New York Says All Demo-
crats Will Work Enthusiasti-
cally for Parker.

NEW YORK, July 9.—Mayor George B. McClellan, when he received news from St. Louis that Judge Parker had been nominated for President by the Democratic national convention, sent the following telegram of congratulation:
"Judge Alton B. Parker, Esopus, N. Y.—All Democrats will work enthusiastically for the election of a candidate in whom they have such confidence. GEORGE B. M'CLELLAN."
To a reporter Mayor McClellan said today: "All Democrats will work for the election of Judge Parker. I have the greatest admiration for him as a man and a Democrat. I have the fullest confidence in his ability and his statesmanship. New York has been greatly honored by this selection of one of its citizens for a Presidential candidate. The country will expect New York to do all in its power in view of the importance of the principles at stake, to lead in the accomplishment of victory."

HARMON JOINS IN.

Jurist Makes Haste to Get on
the Democratic Band
Wagon.

CINCINNATI, July 9.—The first thing Judge Harmon did today, on getting to his down-town office, was to send the following dispatch:
"Hon. Alton B. Parker, Esopus, N. Y.—May you add to the honor justice due you the distinction of leading a united party to enduring success."
"JUDSON HARMON."

HARRITY'S OPINION.

Former Chairman Democratic Nation-
al Committee Talks About
the Candidate.

PHILADELPHIA, July 9.—In speaking of the nomination of Judge Parker today, former Democratic National Committee Chairman William F. Harrit said: "Judge Parker, whose nomination has been clearly foreshadowed for several weeks past, will make a strong candidate. He is made of excellent Presidential timber, and I believe his strength will become more apparent and increase as the campaign progresses. The omission of a gold-standard resolution from the platform is to be regretted."

HONOR TO PARKER.

Citizens of His Home Town Turn
Out in Recognition of His
Nomination.

ESOPUS, N. Y., July 9.—The report that Judge Parker had sent word to his friends in St. Louis that he demurred to the platform devoid of the gold plank reached here tonight just as the Esopus people were preparing to celebrate the nomination. Dispatches setting forth the situation at St. Louis were shown to Judge Parker, but he refused to make the slightest comment on them.

At almost the same hour the steam yacht Sapphire, anchored in front of Rosemont, and John B. McDonald and Judge E. P. Hatch of New York were landed. They climbed the hill to Rosemont, and while Judge Hatch chatted with Mr. Parker, Mr. McDonald held a long conversation with Judge Parker. What might be his career could not be ascertained, but it is certain that the yacht left New York early this afternoon and made quick time up the river, delayed only by stops at one or two points where telephone communication was possible.

All Esopus and vicinity turned out tonight to do honor to Judge Parker, and in special recognition of his nomination, in which all citizens of the community, regardless of politics, take great pride. The village was gaily attired in its best, and was illuminated with lanterns, flags, bunting, torches and red fire. A procession was formed in the Main street and marched down to Rosemont where speeches were made by two of the Judge's neighbors.

Hearst Extends Congratulations.

CHICAGO, July 9.—The following telegram was sent from Chicago tonight by William Randolph Hearst to Judge Alton B. Parker:
"I congratulate you upon your nomination and upon the expression of Democratic principles in the platform on which you stand. I hope and believe that, battling for the people and for such principles, you will lead the Democracy to victory."

Stevenson Wires Parker.

BLOOMINGTON, Ill., July 9.—Adlai E. Stevenson tonight sent a telegram of congratulations to Judge Parker, and said: "I have known Judge Parker for many years. He is a gentleman of high character and of recognized ability. He is well qualified for the discharge of the important duties of the great office for which he has been nominated. I am confident that he will receive the earnest support of all Democrats."

Olney Like a Sphinx.

FALMOUTH, Mass., July 9.—Richard Olney was notified of the nomination of Judge Parker by a reporter of the Associated Press at his summer home here. He listened in silence, smiling when he was told that he had received 28 votes. Mr. Olney declined to say anything concerning the outcome of the convention.

BRYAN SUFFERS A COLLAPSE

Strain of Convention
Work, Cause.

His Bronchial Tubes Badly
Affected, One of His Lungs
Slightly.

St. Louis Gathering Has Established
a Record for Hard Work and
Long Hours.

ST. LOUIS, July 9.—The strain upon party leaders during the last three days has been the most severe in the history of political gatherings, and it is beginning to tell on many delegates, especially the delegates on whose shoulders has fallen the bulk of the committee work.

William J. Bryan has already suffered a temporary collapse. He left the hall about 5:30 this morning, as soon as the nomination was assured, without waiting for the completion of the roll-call, and accompanied by his brother, entrenched himself in his room at his hotel, where he gave orders that he was not to be disturbed under any circumstances. In addition to the loss of sleep he has undergone, amounting now to nearly seventy-two consecutive hours, he is troubled with a bad cold, and his brother and his close friends are doing all they can to force him to take some rest. He was not at the afternoon session of the convention.

Bronchial Tubes Affected.
Senator Pettigrew of South Dakota was among the few persons permitted to see Mr. Bryan and he made a brief call upon him at 4 o'clock this afternoon. After leaving Mr. Bryan's room the Senator said that Mr. Bryan's bronchial tubes had been badly affected and that two physicians had been called in. They found one of the lungs slightly affected, but a change for the better had taken place, and the physicians expressed the opinion that all danger had passed. They ordered complete rest, however, and Mr. Bryan will go to a place in the country near here. He will not again appear in the convention.

Senator Pettigrew expressed the opinion that Mr. Bryan would later define his attitude toward the Democratic ticket, but said that he would not do so until he could have time to give most careful consideration to what he might say.

Hill Very Nervous.

David B. Hill was late in arriving at the hotel this afternoon, and even his joy at the success of his candidate did not hide the fatigue and nervousness which the long sessions of the resolutions committee and of the convention, and the numerous caucuses in which he was a leader, have brought upon him.

"I am feeling better. I have had four hours' sleep," said Senator Tillman as he arrived at the Coliseum this afternoon, but he found a crowd of his conferees who shared that feeling with him.

John Sharp Williams was used up after his first session as temporary chairman, and he has been suffering from hoarseness.

Chairman Clark Used Up.

Cham Clark, the permanent chairman, at this afternoon's session was unable to make himself heard beyond the first four rows of seats, although he kept a cough-drop in his mouth all the time. He has his secretary to make the announcements for him through the megaphone.

These are only a few of the leaders who show the strain of the last few days, and it is the consensus of opinion that this convention has established a record for hard work and long hours.

Woman Hangs Over a Yawning Chasm

Saves Herself From Death by Cling-
ing to Tree Roots Until
Rescued.

MORRISTOWN, July 8.—Mrs. Charlotte Jacobs of Luxembourg went to the well in the rear of her home to draw a bucket of water last night and in returning along the path felt the ground suddenly sinking beneath her. In an instant she found herself dropping into a great chasm. By luck or by accident she came in contact with the roots of a big maple which stood beside the path and clung to them while the earth dropped away beneath her feet.

Scrambling up she managed to get her feet in among the roots and for over an hour hung there screaming and calling for help, endeavoring to make some one hear. It was not until after 9 o'clock that her cries were heard and then Jerry Langdon and John Date, who were passing along the road, went to her rescue. She was ten feet from the surface of the ground, but by hard work they managed to get her up. She had no more than reached the surface when she fainted, and she has been in semi-hysterical state ever since. On examination this morning it was discovered that the ground had sunk into an old mine shaft and that for hours Mrs. Jacobs had hung above a hole more than 300 feet deep.

\$2700 FOR 2000.

We positively guarantee that this is the cheapest piece of improved property we ever offered for sale. 30x100 feet, on corner 9th East st. and Princeton ave., improved with a comfortable 4-room frame house, with a floored attic and summer kitchen. A yard full of trees and beautiful shrubs, with fences, chicken houses and lots of flowers. City water in the house.
This is a bona fide statement when we say that the owner paid \$2300 a year ago, and has since spent \$400 for actual value-increasing improvements, making the actual cost \$2700.
Now comes the sacrifice, made on account of absolute demand for cash, when we say we will deliver this place for \$2000, that is a loss to the owner of \$700 in hard money. Only \$500 cash required to swing the deal. Somebody will close this deal on Monday or before. Are you the lucky one? Investigate.
